**ART.4** - The meeting will mainly take place in the territory of the Municipality of Fucecchio, which is located in Tuscany in the province of Florence and on the border with the provinces of Pisa, Pistoia and Lucca, about halfway between Empoli and Pontedera. The event will start at 2.00 pm on Saturday with the welcome in Fucecchio in the Buca del Palio or d'Andrea. Then, two cultural itineraries will be available with the possibility of reaching with the Vespa either the Piaggio Museum in Pontedera or the birthplace of Leonardo da Vinci in Anchiano with a visit to the historic center of Vinci.

Upon return, a snack will be offered near to the Medici Bridge of Ponte a Cappiano, symbol of our Vespa club. Then we will go back to the meeting place (Buca d'Andrea) for dinner and following party with music and drinks until late at night.

Next morning we will wake up with music and will welcome Vespa riders with the distribution of gadgets and breakfast.

In the second half of the morning, a short Vespa ride is scheduled between the wetland area of the marsh (Padule) and the verdant hills around Fucecchio. The aperitif stop will be at the Grande Panchina (Big Bench) in Fucecchio.

During the Sunday event the presence of relays, emergency vehicles and a van for the recovery of damaged vehicles will be ensured.

**ART.5** - The organization reserves the right to make any necessary changes to the event.

**ART.6** - During the ride, the participant is required to respect the Highway Code, including the use of the helmet; it is forbidden to overtake, invade the left lane and engage in dangerous behavior (u-turning, unnecessary stops...) which could cause damage to road users or create disorder and disruption to the normal course of the ride. The vehicles must comply with the rules of the current Highway Code as well as being regularly registered and insured. You must scrupulously follow any directives given by the organizers or security personnel.

The driver of the vehicle will be held, in any case, responsible for his vehicle and his actions.

Failure to comply with the above, will result in removal of the participant from the event.

By registering, the driver declares to be able and to have suitable authorizations to drive the vehicle with which he participates in the event.

The organization declines all responsibility for any damage that may occur to people or things during the event. Furthermore, by the very fact of his registration, the participant declares that he holds the organizers relieved of any civil liability for any damage incurred to himself, to third parties and to third party property.

Filming and images taken during the event are carried out completely free of charge and may be published by the organizing Vespa Club in a context that does not compromise personal dignity.
